Proceedings of the Madras Government, Financial Department,
20th January 1873.

No. 107. Read the following letter from the District Engineer, Presidency, to the Chief Engineer and Secretary to Government, Public Works Department, dated Fort St. George, 11th January 1873, No. 2826 :—

I have the honour to submit, for sanction, a plan and an estimate, amounting to Rupees 850, for making certain alterations to the doorways and asphalting the floor of passage in the building occupied by the Office of the Superintendent of Stationery in Fort St. George, which were prepared at the request of the Superintendent of Stationery who has also approved the project.

One Plan.
One Abstract Estimate.

2. An immense amount of stationery formerly stood in the open yard and covered with tarpaulin has been transferred to the interior of the old saddlery room of the Arsenal. This stationery, which is moved *in bulk* constantly, was formerly conveyed on trucks in the yard. The tiled floor of the saddlery room will at once be destroyed by the trucks, and hence it is absolutely necessary to provide the asphalted tramway now proposed.

3. The other alterations in doorways, &c., estimated for, are needed by the Superintendent to provide for the better accommodation of the clerks, and to avoid disturbance by the coolies and lascars engaged in the packing establishment.

4. Funds may be granted from any source at the disposal of Government.

Referred to the Public Department.

2. Funds are available by transfer from other works.

FORT ST. GEORGE,
15*th January* 1873.

(Signed) G. W. WALKER, Colonel, R.E.,
Secretary to Government, P. W. D.

No. 108. ORDER THEREON, 20th January 1873, No. 89.

The work is sanctioned.

2. The plan and estimate should have been countersigned by the Superintendent of Stationery, or Inspector-General of Ordnance and Magazines.
