Proceedings of the Madras Government, Financial Department,
28th June 1873.

No. 199. Read the following Proceedings of the Board of Revenue, dated 24th April 1873, No. 2494 (Miscellaneous):—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to the Secretary to the Board of Revenue, dated Bellary, 28th March 1873, No. 88:—

With reference to paragraphs 34 and 65 of the Proceedings of the Board of Revenue, No. 291, dated 28th ultimo, I have the honour to inform you that the Educational Grant of Rupees 300 provided in the current year's Local Fund Budget is in support of the Tadpatry School only; the former Head Master of that school used to draw a grant from Government at the rate of 25 Rupees per mensem; but, since the appointment of the present Head Schoolmaster on the 20th May last, it has been reduced to Rupees 20, with reference to which Rupees 240 were provided as grant-in-aid for that school for 1873-74.

2. In regard to the Aloor School, I beg to draw the attention of the Board to G. O., No. 963, dated 20th July 1872, from which it will be seen that no grant is given for that school, it being an Elementary School.

Submitted to Government with reference to Board's Proceedings, 28th February 1873, No. 291.

No. 200. ORDER THEREON, 28th June 1873, No. 904.

From the above report, the Government gather that the grant-in-aid from Provincial Funds to the Tadpatry School, under the Local Fund Board of the Gooty Circle, has been reduced to comply with the requirements of the Salary Grant Rules.

2. These Rules were framed to meet the case of private schools over which the Government had little or no control, and to ensure that the aid from Government funds should be, to a certain extent, commensurate with the nature of the instruction imparted, and proportionate to the amount contributed from the private funds of the schools towards the salaries of each individual master.

3. A detailed check of this kind seems, however, to be hardly necessary in the case of schools under the immediate control of Local Fund Boards, and the Government are disposed to think that, in the case of all schools of the middle class drawing Salary Grants, which have been, or which may hereafter be transferred with a continuance of the grant to Local Fund Boards or Municipalities, the Salary Grants might be commuted to a lump grant equivalent to the maximum grant drawn within the three years last preceding the date of the order adopting the system, or the date of transfer in the case of schools subsequently transferred.

4. Such lump grants would be subject to the second of the conditions laid down regarding lump grants in G. O., dated 17th August 1871, No. 342, viz., that

If this is a Tadpatry School it may be necessary to continue the grant of Rs 300 in the Local Fund Budget

It was probably reduced to correspond with the amount paid by the L. F. to Under the Salary grant rules the grant to any master must not exceed the amount contributed by the managers of the school. K
