No. 119. Read the following letter from the President of the Municipal Commission, Masulipatam, to the Chief Secretary to Government, Fort St. George, dated Masulipatam, 19th December 1872, No. 2971 :—

With reference to the latter part of paragraph 5 of G. O., No. 1391, dated 10th October 1872, I have the honour to state that the Commissioners of the Masulipatam Town have resolved to establish for the present a branch dispensary in their office building, in preference to providing a new building for the existing dispensary within the town. They propose, and I beg to support the proposal, that the services of the third-class Hospital Assistant now doing duty at the jail may be made available, as it is likely that this institution will be abolished at the end of the year. The Civil Surgeon will, of course, superintend this branch as well as the main dispensary.

2. I beg to enclose copy of the Commissioners' resolution.

Proceedings of the Municipal Commissioners of Masulipatam, dated 14th November 1872.

17. Read G. O., dated 10th October 1872, No. 1391, reviewing the annual reports of the Masulipatam and Guntoor Municipalities for 1871-72.

With reference to paragraph 5, the President will be requested to state if he does not consider that the Dispensary Committee should be superseded now by the Municipal Commissioners.

The Commissioners do not consider it possible that the dispensary can be removed into the petta at present with the limited means at their disposal, nor do they consider that such removal is advisable. They are of opinion that a branch dispensary should be opened in the petta as suggested by them in their report. The President will, therefore, be requested to apply for the services of a third-class Hospital Assistant as early as possible. They would recommend that the senior Hospital Assistant at the Dispensary, recommended on several occasions for the honorary title of House Surgeon, be put in charge of the branch.
