No. 24. Read the following Proceedings of the Board of Revenue, dated 30th May 1873, No. 906:—

Read the following letters:—

From J. B. PENNINGTON, Esq., President of the Local Fund Board, Trichinopoly, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 11th March 1873, No. 15.

I HAVE the honour to request the Board's sanction to entertain two Dressers, on Rupees 30 each per mensem, from 1st April 1873—one to be attached to the Head Assistant Collector, and the other to the Deputy Collector on General Duties—to aid them in carrying out sanitary work, to make up simple medicines, and especially to look after the vaccinators and check their returns *thoroughly*. At present it appears to me that we are incurring a certain expense for a very uncertain benefit, and, as far as I have made out, there is practically *no* check on the Vaccination Returns.

2. Mr. Good has agreed to place his vaccinators at the disposal of the Divisional Officers, and it only remains to give those officers some means of testing their work.

3. The Local Fund Board have agreed to the above arrangement and passed a resolution (copy enclosed) at a meeting, held on the 19th February 1873, to defray the expenses out of the General Fund savings. I will include the above charges with their travelling allowances in the budget for 1873-74, which will be submitted with the list of Incomplete works.

ENCLOSURE No. 1.—Extract from proceedings of Local Fund Board.

From the same Officer, dated 16th April 1873, No. 18.

ADVERTING to the Board's Official Memorandum, No. 420, dated 28th March 1873, I have the honour to enclose an extract from the proceedings of the Local Fund Board, at a meeting held on the 9th April 1873, showing how it is proposed to check the movements and work of the Dressers under the Divisional Officers.

ENCLOSURE No. 1.—Extract from proceedings of Local Fund Board.

ENCLOSURE No. 2.—Copy of report from Hospital Assistant.

SUBMITTED for the orders of Government.

2. The Trichinopoly Local Fund Board propose to attach one Dresser to the Head Assistant Collector and another to the Deputy Collector on General Duties, paying them Rupees 30 a-month. They are to supervise the vaccinators, whose work is now almost unchecked, and to assist in carrying out sanitary arrangements.

3. The danger is that the Dressers will become the private attendants of the Divisional Officers, but the Board think their entertainment may be sanctioned provided they are made to itinerate, say, two-thirds of their time, and to send in diaries to the Local Fund Board.

4. The second Member, who is not a party to these Proceedings, has recorded a separate minute on the subject.

Resolution.—The Board is glad to see that Mr. Dresser has been able with the assistance of the Vaccinators to supply the deficiency of stamps which existed in certain districts.

2 Minute of Second Meeting of the Board of Nurses referred to in paragraph 4 of their Proceedings dated 30th May 1873. No 96.

This thing is fraught with every danger. The fact is there are to be more or less personal Medical Attendants [illegible] paid from Local Funds until Government Appoint Persons to Provincial Offices. They are often to be entirely [illegible] to be public duty also.

This the Government Nurses will do—until [illegible] of the Public Offices by [illegible] Provincial Board. Specially here [illegible] more and more rarely quit the superior Officers immediate neighbourhood.

Subject to the Appointment and if the above [illegible] must be with the distinct Reservation that the Medical Subordinates are not to be attached to any individual Officer but to act directly under the Board.
