Financial.
No. 65.

INDIA OFFICE, LONDON,
4th June 1873.

MY LORD,—With reference to your Financial Letter, dated the 8th April 1873, No. 12, requesting that additional Invoices of Stationery Stores received per *Carnatic*, *Queen of the North*, *and* S.S. *Agra* may be forwarded, I have to inform you that the claim for the stores has not yet been received from Her Majesty's Stationery Office, from which the stores were obtained. I have, however, ascertained that the claim will shortly be preferred, and the additional invoices requested shall then be forwarded to Madras without delay.

2. Hitherto it has been impossible to obtain from the Stationery Office claims for stores until the whole order on an indent has been completed, and no doubt this system has caused some inconvenience.

3. Arrangements have now been made whereby claims for stores ordered after the commencement of the present season will be preferred as the various stores are shipped, which will enable the invoices to be forwarded to India properly priced.

I have, &c.,
