Proceedings of the Madras Government, Financial Department,
***9th July* 1873.**

No. 67. Read the following letter from A. MACGREGOR, Esq., Magistrate of Malabar, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Calicut, 26th June 1873, No. 62:—

With reference to the G. O., dated the 20th February 1873, No. 244, Financial Department, I have the honour to report that ten latrines, of the style of sentry-boxes, have been constructed at Barnacherry in Cannanore, at a cost of Rupees 226, and put to use on the 24th of March last.

2. Three toties have been entertained, each on a pay of Rupees 5 per mensem, and it is requested that the sanction of Government may be accorded to this, as well as to the incurring of charges to the amount of Rupees 5 for occasional repairs to the latrines and providing tar and dry earth, aggregating Rupees 20 per month.

3. The Municipal Commissioners of Cannanore are erecting two temporary latrines on the Coimbatore plan, each accommodating eight persons at a time. It is intended that the cost of their erection be paid to the Municipality by Government, on condition that the charges for their up-keep be borne by the Commissioners.

4. Regarding this and other points mooted in the Government Order under reference, I shall address Government on another occasion.

No. 68. ORDER THEREON, 9th July 1873, No. 965.

The charge of Rupees 226 for erecting the latrines is sanctioned.

2. The monthly charges of Rupees 20 are also sanctioned for the current year 1873-74, after which it is considered that the extension of the municipal rates to the "Karar" limits will justify their debit to the Municipality.
