No. 71. Proceedings of Government, 11th July 1873, No. 971.

The Governor in Council observes, that, in preparing the Provincial Budget for the current year, the opening balance was estimated at Rupees 8,90,622, but from the approximate accounts of expenditure for last year received from the Accountant-General, closed to March 31st, it appears that the closing balance of last year and the opening balance of the current year may safely be calculated at Rupees 11,75,093, or Rupees 2,84,471 in excess of the original estimate.

2. The closing balance for the current year was estimated in the Budget at Rupees 2,78,253, and, adding to this sum the above excess, the total working margin for the current year aggregates Rupees 5,62,724. Deducting from this sum the additional assignments that have been made during the past months of the current year, amounting to Rupees 66,612, there remains an estimated available surplus of Rupees 4,96,112, out of which sum the Governor in Council resolves to allot Rupees 1,50,000 to the Public Works Department, and the Accountant-General will make the necessary transfer. The proposals for employing this amount, which have been drawn up in the Public Works Department, have been approved.

3. Out of the remaining balance of Rupees 3,46,112, the Governor in Council resolves to make the following grants to the Local Funds of the Circles specified for elementary education, being the amounts estimated to be expended from the House-tax in the current year on schools to be *newly* opened :—

	Rs.
Chicacole	4,860
Nellore	2,380
Sydapet	8,470
Chingleput	8,910
Madura	6,460
Neilgherry Hills	3,850
Canara	600
Total ...	35,530

A special grant of Rupees 3,000 will be made to the Local Funds of the Malabar District for Moplah Schools, the Collector having intimated that this sum can be usefully employed in addition to the Budget provision for the purpose.

4. By separate order of this date a special grant of Rupees 23,000 has been made to the Madras Municipality for elementary education.

5. The aggregate of these educational grants is Rupees 61,530, which being deducted from the above balance, leaves a working margin of Rupees 2,84,582 for the Provincial Services in the remaining months of the current year.

6. Ordered that copy of these Proceedings be furnished to the Revenue Board, the Director of Public Instruction, and the Accountant-General. The latter Officer will make the necessary transfers in the accounts.

Memorandum.

The Budget Estimate of Provincial Funds for the official year 1873-74 was prepared with an "opening balance" of Rupees 8,90,622, and a "closing balance" of Rupees 2,78,253.

Until the (approximate) Provincial Account of Disbursements for the months of March 1873 is furnished by the Accountant General, which includes the expenditure

expenditure for the whole year 1872-73, the "approximate balance" on 31st March 1873 is entered at Rupees 11,75,003, or Rs 284,471 in excess of the "opening balance" above referred to. Adding this ex-cess to the closing balance of Rs 2,78,253 in the Budget Esti-mate, the probable available bal-ance will be Rs 5,62,724. From this balance additional appropriations have been made, up to date, to the extent of Rs 60812, leaving unappropriated

a

a probable balance of Rs 499613 from which it is submitted, that a lac of Rupees may be safely added to the Public Works Provin-cial Budget Grant for 1873-74.

Rs 60,000 has been sanctioned for Repairs of the Madras Fort Wall & Esplanade which are now in progress.

The sum of Rs 40,000 is required for Repairs of the Madras Fort Wall & Esplanade which have been sanctioned but not completed. Rs 60,000 are required for Minor Sanctioned Works under Rs 2500 each & for new ones that may arise in the course of the year.

Rs 50,000 is required for

My dear Lord Redesdale,

I send a statement showing the amount of Local Taxation charges distributed & to be distributed, and also the estimated receipts for the year ending the 31st March next, as far as I have been able to ascertain them. In many cases the items were estimated, and the returns had not been received, and in many cases also returns prepared on an estimation of a year for many such Unions

under present circumstances - under the present use of the fires is still nearly necessary. Unless that is the case schools opened this year from the proceeds of the Queen's Jubilee Fund (Local) year from Imperial Grant will have to be suspended next year.

Secondly he would draw attention to the unfavourable position in which the Education Authority are placed in the matter of providing teachers for new schools and rendering unfavourable the close of the present year. He would call attention to the fact that the Education Department will not recognise any school which is prepared to provide teachers

start any school) to open within the year an elementary education a proper amount than they are able to provide from the funds already at their disposal. In Yorkshire we provided for the proceeds of one penny rate in the pound for elementary education, but in some districts the proceeds of a penny rate would be very small, and in others very large. In Barnsley the proceeds of a penny rate would be £1,100 per annum, in Sheffield £8,000, in Leeds £7,000, in Bradford £6,000, and in Halifax £3,000

The original detailed statement has been returned to the Board of Revenue, but the following information regarding the disallowances proposed for Road Fund Schools has been obtained from the printed Cost Proceedings.

Cuttapore. No schools disallowed. Rupees 2000 returned from unallotted balance of Road Fund to meet Charges intended to be provided for from Provincial Funds.

Trichinopoly. Twenty three out of forty five schools allowed. Proposed Provincial Charges reduced from Rupees 10,080 to Rupees 5,240. Rupees 2000 returned from unallotted Road Fund balance.

Coimbatore. No schools disallowed. Charges met in part from unallotted balances.

Ellore. No schools disallowed. The balances were not sufficient to meet the Charges in part as the Schools had been started without Sanction, the Circle was not considered entitled to a special grant

and

The entire receipts and principal heads of expenditure of all Municipalities in map ready and of complete description published along with the Local Fund Estimate statements dated 28th ult. up - that is of the publication of which I consider necessary.

no less of Rs 190 over and above the charges which remained after obtaining the General Fund balances were met by reducing the Road Fund allotments by Rupees 7420 and returning same to the General Fund thus economising together with a Road Fund balance of Rs 5 889 in all Rupees 8 100.

Maundapatam. The Board of Revenue disallowed two items aggregating Rs 5000 on account of Persons to be established hereafter and to be dealt with in a supplemental budget. These allotments appear unsafe and will form subject of Question.

Guntur. The Board of Revenue strongly recommended Three new Schools. There is no information in the Government offices to show what the amounts

Nellore. Fourteen Schools were struck out of the budget. The Local Fund Educational allotments were reduced by Rs 2385.

Ghooty. The Board of Revenue disallowed 18 Unsanctioned Services. The estimated Income to be raised in the disallowed Services amounted to Rs 5455.

Kurnool. Government disallowed 115 New Schools. The allotment for Local Fund School Charges were reduced from Rs 27490 to Rs 16010.

Cuddapah. Seventy new Schools were disallowed owing to unsanctioned proposals not having been received. The allotments for School Charges were reduced from Rs 1600 to 530 Rupees.

Chingleput. Forty three new Schools were disallowed for a similar reason and the allotments for School Charges reduced from Rupees 11700 to Rs 2340.

Coodalore. Twenty Seven Services with an estimated Income Less of Rupees 32470 were struck out by the Board of Revenue pending the orders of Government

on

on the Previous Scheme submitted in December

Pindaeebeum — For a similar reason, the Board of Revenue disallowed 50 new schools with an estimated house tax of Rupees 23030.

Tanjore — House tax was estimated at Rupees 25000 but no scheme for establishing Pansais was submitted or was ready for submission The Board of Revenue disallowed the estimate.

Trichinopoly — It was stated that a separate Pansai budget would be submitted as soon as Mr. Brome's Scheme of School Pansais, then in correspondence, was approved by the Local Fund Board

Madura — Eleven Schools estimated to cost Rs 6480 were disallowed, as a complete scheme had not been received and

and the Local Board proceeding gave the impression that the proposals were submitted only because they thought Government looked for them

Bandiguil — Mr. Blois was requested to be engaged on a scheme

Coimbatore — Rupees 5000 were estimated as receipts from House tax but the whole amount was shown as one item. Sanction by the Board of Revenue struck the item altogether

Salem — Sixty nine new Pansai schools with an estimated House tax of Rs 7230 were struck out by the Board of Revenue as a detailed scheme had not been received.

Cuddapah — Twelve new Pansais with an estimated house tax of Rs 1800 were struck out by the Board of Revenue

Nellore — Twenty four proposed Pansais with estimated

Charges

Charges of Rupees 3850
were also allowed by Govern-
ment. The establishment of the
Normal School and the limited
other Items rendering it
necessary that the whole
Scheme should be con-
sidered. The Lascars proposed to be employed

~~Read the following letter~~
Examined
dated 11 July 1873. No. 971.

The Governor in
Council observes that in
preparing the Provincial
Budget for the current
year the opening balance
was estimated at Rupees
190,622, but from the
approximate accounts of
expenditure for last year
received from the Accountant
General, closed to March
31st, it appears that the
closing balance of last
year

year and the opening
balance of the current
year may safely be cal-
culated at Rs 11,75,093,
or Rs 2,81,471 in excess
of the original estimate.

2. The closing balances
for the current year was
estimated in the Budget,
at Rs 270,253, and adding
to this sum the above ex-
-cess, the total working
margin for the current
year aggregates Rupees
5,62,724. Deducting from
this the additional appro-
-priations that have been
made during the first
seven months of the current
year, amounting to —
Rupees

Rupees 66,612, there
remains an estimated
available surplus of Rs
4,96,112 out of which sum
the Governor-in-Council
resolves to allot Rupees
150,000 to the Public
Works Department, and
the Accountant General
will make the neces-
-sary transfer. The
proposals for employing
this amount which have
been drawn up in the
Public Works Department,
have been approved.

3. Out of the remain-
-ing balance of Rs 3,46,112,
the Governor-in-Council
resolves to make the
following

following grants to the Local Funds of the Circles specified, for elementary education, being the amounts estimated to be expended from the House tax, in the current year, on schools to be newly opened.

	Rs.
Chowicole	4,860
Nellore	2,380
Sydapet	8,470
Chingleput	8,910
Madura	6,460
Nilgiris	3,850
Canara	600
	35,530

A special grant of Rs 3,000 will be made to the Local Funds of the Malabar District for Moplah schools, the Collector having intimated that this sum can be usefully employed in addition to the Budget provision for the purpose.

4. By separate Order of this date a special grant of Rs 23,000 has been made to the Madras Municipality for Elementary Education.

5. The aggregate of these Educational grants is Rs 61,530, which being

being deducted from
the above balances, leaves
a working margin of
Rs 284, 582 for the
Provincial Services in
the remaining months
of the current year.

6. Ordered that copy
of these Proceedings
be furnished to the
Revenue Board, the
Director of Public Ins-
-truction, and the Ac-
-countant General.

The latter officer will
make the necessary
transfers in the Accounts.
