No. 28. Read the following letter from Surgeon-Major T. CROUDACE, Zillah Surgeon in charge, Masulipatam, to the President of the Municipal Commission, Masulipatam, dated Masulipatam, 14th November 1873:—

I have the honour to inform you that a wall on the left side of the Government Meteorological room in the Civil Dispensary is partly left open in an arch, and a screen has been temporarily fixed on it. It is necessary to have the wall completely built up to the arch. The estimated cost will be about Rupees 25. I, therefore, request that you will be good enough to obtain sanction for the amount.

No. 1918.

Forwarded to Government with the President's recommendation that the cost (Rupees 25) be sanctioned out of State funds.

2. The Municipal Commissioners, to whom the dispensary building now belongs, have declined to build the wall at their own expense, as the Meteorological Observatory is not a municipal institution, and as Government pay no rent for the room occupied by it.
