No. 180. Read the following letter from the Hon. D. ARBUTHNOTT, President of the Municipal Commission, Combaconum, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Point Calimere, 10th June 1874, No. 92 :—

With reference to paragraph 3 of G.O., dated 30th January 1874, No. 156, calling upon me to report on the circumstances which led to the dismissal of the Combaconum Municipal Overseer therein referred to, I have the honour to state that that officer appears to have been dismissed by Mr. Cadell, on the 11th April 1872, for having taken incorrect levels in connexion with the drainage of the Sholiappa Moodelliar Street in contravention of the orders of his professional superior, Mr. O'Shaughnessy.

2. No Overseer was appointed in his stead until the 27th November following, because no competent man was to be found up to that time. It was during this interval that the roads in the Municipality got into such utter disrepair as noticed by the Commissioners.

No. 181. ORDER THEREON, 20th June 1874, No. 1040.

Recorded.

2. The explanation confirms the previously expressed opinion of Government that there must have been great mismanagement.
