Read the following letter from W. S. FOSTER, Esq., President of the Local Fund Boards, Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 23rd April 1874, No. 31 :—

I have the honour to bring to the notice of the Board of Revenue that the Local Fund Board of the Cocanada Circle passed, at their meeting on the 10th March 1874, a resolution that an elementary school be established at Juggampett in the Peddapur Taluq.

2. Juggampett is an important place, where there was a Zemindari school of the middle class, which was subsequently discontinued, the Zemindar not having taken any interest in it.

3. The inhabitants of that place have since applied for the re-establishment of a middle-class school and promised to contribute 26 Rupees a-month, but the Local Fund Board considered an elementary school would do. This the people now want.

Read the following ~~letter~~ Proc: of the Board of Revenue, dated 28th May 1874, Mis: No. 3527.

Order thereon.

Before sanctioning the establishment of an elementary school on so expensive a scale, the Government desire to be informed of the extent and population of the locality for which it is intended to provide, and the attendance expected.

The school will cost Rs 28 per m: but the teacher will pay Rs 26 per m. It will therefore be a very cheap school to the Z. F. Bd. & I would sanction it. IDS. 1076

I do not see that it is an expensive scale at all. - I would sanction it - but must notice critical about these Elementary schools. Govt Secretary
