No. 217. Read the following Proceedings of the Board of Revenue, dated 17th June 1874, No. 1874:—

Read the following letters:—

From J. G. HORSFALL, Esq., Sub-Collector, to W. S. FOSTER, Esq., Acting Collector of the Godavery District, dated Cocanada, 8th January 1874, No. 3.

I HAVE the honour to state that in his letter No. 99, dated 19th June 1871, the late Collector (Mr. Fraser) requested Mr. Gribble to select some Government waste land, yielding annually Rupees 40, to be assigned to the Rajanagaram Choultry under the orders of Government.

2. The Tahsildar of Rajahmundry and the person in charge of the Choultry selected 160 Acres out of two unassessed Jirayaty (Government) blocks in Veluguhanda. In his letter No. 162, dated 31st August 1871, the Collector directed the making over of the above land to the person in charge of the Choultry, and orders were issued to the Tahsildar to carry out the instructions of the Collector.

3. The person to whom the above land was made over died subsequently. One Nalam Bhimanna, a merchant of Rajahmundry, who takes much interest in the affairs of the institution, says that the land assigned to the Choultry is not fit for cultivation, and has not therefore been utilized, and offers to relinquish in favour of the Choultry Acres 64·69* of assessed Government land, which he holds in Rajanagaram and Kalana Cherla.

* Assessed at Rupees 37-11-0.

4. I recommend that you will obtain the sanction of the Board of Revenue for the making over of the above assessed Jirayaty land (A. 64 C. 69) to the person in charge of the Chuttrum in lieu of the land already assigned, as the latter is not ordinarily cultivable.

No. 12.

FORWARDED to the Board of Revenue with a request that the necessary sanction may be obtained.

2. The Government have, in their Order No. 293, dated 18th February 1864, communicated with the Board's Proceedings, No. 1,425, dated 7th March 1864, restricted the grant to the waste land of the annual value of Rupees 40, and the rules themselves contemplate the grant of waste land. But as the waste land already granted is not productive, I would advise the granting the assessed land which the holder thereof offers himself to relinquish in favour of the Choultry.

COCANADA, 16th January 1874.

(Signed) W. S. FOSTER,
Acting Collector.

From W. S. FOSTER, Esq., Acting Collector of the Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 4th May 1874, No. 123.

REFERRING to the Board's Official Memorandum, dated 11th February last, No. 174, I have the honour to state that A. 26 C. 84 of Government waste land* fit for cultivation is available in Gonagudem (east) a village close to Rajanagaram in which the Chuttrum is situate.

* No.	Extent. A. C.	Assessment. RS. A. P.
20...	2 97	4 7 0
27...	5 49	8 4 0
28...	7 24	10 13 0
71...	11 14	16 11 0
	26 84	40 3 0

2. The settlement assessment of the land is Rupees 40-3-0, deducting the

2 per cent. road cess which it includes; the assignment would amount to Rs. 39-6-2, which is short of the grant by Rupees 0-9-10. The difference is slight, and I therefore recommend that the land referred to may be assigned to the Chuttrum.

SUBMITTED for the favourable consideration of Government.

2. In G. O., Revenue Department, dated 18th February 1864, No. 293, Government sanctioned a grant of waste land of the annual value of Rupees 40 for the Rajanagaram Choultry. Accordingly 160 acres of waste were chosen and assigned, but they turn out not to be fit for cultivation. The person in charge of the choultry has offered to relinquish in favour of it land assessed at Rs. 37-11-0, but suitable waste is available near at hand assessed (exclusive of road cess) at Rupees 39-6-2.

3. The Board think this waste should be granted instead of the uncultivable land now held by the Choultry.
