Proceedings of the Madras Government, Financial Department,
22nd January 1874.

No. 152. Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Bhowany, 13th January 1874, No. 4:—

I have the honour to request, in reference to the Miscellaneous Proceedings of Government, 5th April 1869, No. 906, that the remaining stones of the old ruined fort wall of Erode may be sanctioned to be made over to the Local Board. Nearly all the good stone has very long ago been removed, apparently without notice of the local authorities, and it was only lately, when a party was in the act of undermining the remaining bastion for the removal of the stone, that the Division Officer interfered.

2. Such stones as remained might be utilized for the basement of the new hospital which is about to be erected at Erode by the Municipality with the aid of the Local Fund Board.

3. I expect that the wall will be levelled without cost, for the sake of the earth and to fill up and cultivate the moat, which is offensively used at present as a latrine, aggravated by the obstruction to ventilation of the wall.
