Read letter from the Deputy Collector on General duties, No. 106, reporting on the amount of work done by the Police Hospital Assistant at Trinomalay to the Police and to other persons.

2. It appears from this letter that, during the whole year 1873, only 129 Police cases were admitted into the Police Hospital, and that during the time that fever was prevalent at Trinomalay the Hospital Assistant treated about 200 outside cases.

3. The Local Fund Board consider that the Surgeon-General's proposal to transfer the whole cost of the Trinomalay Police Hospital Assistant's salary to the Local Fund Board and to give only twenty-five per cent. as a grant-in-aid is not sufficiently liberal, and that, unless fifty per cent. of his salary be paid by Government as well as half the cost of the medicines, the Board prefer to make their own arrangements for getting another medical officer.

(Signed) J. H. GARSTIN,
President.

SUBMITTED for the orders of Government, with reference to G.O., Financial Department, 24th February 1874, No. 303.

2. The Cuddalore Local Fund Board proposed to give the Police Hospital Assistant at Trinomalay, whose pay is Rupees 40 a-month, Rupees 20 to attend to patients amongst the general public. The President in submitting the application suggested that Rupees 10 would be enough.

3. The Surgeon-General advised Government to let the arrangement be the same as in certain other similar cases, the Local Fund Board taking the Hospital Assistant as their employé and paying him Rupees 30 whilst Government would

pay him Rupees 10 for attending to the Police. The Cuddalore Local Fund Board have resolved that they would rather get a second medical subordinate than share one with Government, unless Government pay half his salary and half the cost of the medicines used by him.
