Proceedings of the Madras Government, Financial Department, 26th June 1874.

No. 243. Read the following letter from R. W. BARLOW, Esq., President of the Municipal Commission, Conjeveram, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Sydapet, 11th June 1874, No. 54 :—

Adverting to paragraph 4 of G.O., Financial Department, No. 550, dated the 7th April last, I have the honour to report, for the information of Government, that the Educational authorities were not consulted regarding the change proposed to be introduced in the scheme of education for the Conjeveram Municipality ; it was proposed by the Acting Sub-Collector Mr. Crole, and acquiesced in by the Commissioners, with a view to economy in the expenditure, necessitated by the abandonment of the Trades-tax.

2. On the receipt, however, of the order under reference, the Municipality placed itself in communication with the Deputy Inspector of Schools of the Chingleput Circle, and decided on continuing the Results system—*vide* extract enclosed. They desire, however, that the allotment entered should not be increased at all events for this year, as the estimated receipts cannot admit of any further expenditure on account of education.

Extract from the Proceedings of the Conjeveram Municipal Commissioners held on the 15th May 1874.

Read letter from the Deputy Inspector of Schools, No. 66, dated 4th instant, deprecating the wisdom of forming Municipal Schools and preferring the Result system.

2. The Commissioners concur in his views, and resolve to inform the President that they adopt the course pointed out by the Deputy Inspector ; but at the same time they wish to limit the payment for the Result Grant within the Budget allotment, as their current year's means will not permit them to lay out more.
