Proceedings of the Madras Government, Financial Department,
26th June 1874.

No. 245. Read the following letter from J. H. MASTER, Esq., President of the Municipal Commission, Bellary, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Bellary, 13th June 1874, No. 73 :—

The Municipal Commissioners at Bellary propose the accompanying bye-law for the sanction of Government.

2. It is the object of the Commission to exercise a wholesome check on the vendors of vegetables or fruit, as they do with reference to the sale of animal food.

3. At present, from the absence of any specific bye-law like the one now proposed, the vendors sell wherever they like, and consequently without any control whatever.

4. This bye-law was proposed to Mr. Sewell while in charge of this district, but he considered its provisions much too stringent and therefore impracticable, and declined to submit it for sanction.

5. On my return from leave, the Commissioners have raised the question again, and asked me to submit the bye-law for sanction, which I beg to do.

6. It is desirable that vendors of articles of food should be under close observation, and I do not think that compelling them to sell in certain places prescribed by the Commissioners will in any way press hardly either on buyers or sellers.

BYE-LAW.

No vegetables or fruit shall be sold except in such places as may be appointed by the Municipal Commissioners.

(Signed) J. H. MASTER,
President.

No. 246. ORDER THEREON, 26th June 1874, No. 1078.

The bye-law is sanctioned, on the understanding that the power therein conferred will be exercised with moderation.
