Proceedings of the Madras Government, Financial Department,
27th June 1874.

No. 253. Read the following Proceedings of the Board of Revenue, dated 1st June 1874, No. 1314 :—

Read the following letter from W. S. FOSTER, Esq., President of the Local Fund Boards, Godavery, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Tanuku, 30th January 1874, No. 8 :—

I HAVE the honour to submit, for the decision of the Revenue Board, a copy of the District Engineer's letter, No. 3,122, dated the 22nd January 1874, inquiring whether batta to writers of the Local Fund Overseers may not be allowed when travelling on duty.

2. The G. O., dated 18th June 1873, Financial Department, No. 857, in which the appointment of the writers under Local Fund Overseers was sanctioned, has not decided the question.

3. Considering that the writers employed under the Taluq Overseers are allowed batta, I think that those employed under the Local Fund Overseers should also have the same allowance, as they have to perform similar journeys and endure the same hardships as the Taluq Overseer's writers. But then the Local Funds are not well off, and cannot well bear this extra charge, and I do not think it absolutely necessary.

ENCLOSURE No. 1.

From Lieutenant-Colonel J. F. FISCHER, R. E., District Engineer, Godavery District, to W. S. FOSTER, Esq., President, Local Fund Boards, Godavery District, dated Dowlaishw[illegible]n, 22nd January 1874, No. 3,122.

IN forwarding herewith copies of orders of Government marginally noted, sanctioning batta to writers of Taluq Overseers, I have the honour to request you will be good enough to inform me whether, seeing that the writers of Local Fund Overseers have to perform similar journeys and endure the same hardships as writers of Taluq Overseers, those subordinates may not be allowed the allowance in question when travelling on duty.

President.

SUBMITTED for the favourable consideration of Government.

2. In several of the Local Fund Budgets of the current official year, provision was made for travelling batta to Local Fund Overseers' clerks, but was disallowed as an unauthorized charge.

3. The writers attached to the Taluq Overseers are, as per G. O., Public Works Department, dated 5th November 1873, No. 2,710, allowed to draw three-tenths of their pay (Rupees 15), which gives each of them Rupees 4½ a-month if they are away from their head-quarters on duty.

4. Local Fund Overseers' writers have got to perform similar journeys and endure the same hardships as Taluq Overseers' clerks, and therefore the Board are of opinion that they should be permitted to draw, as in the case of Local Fund Overseers and Maistries, fixed

Vide paragraph 2 of G. O., Revenue Department, dated 23rd July 1869, No. 2,155.

batta at one-third of their salaries in Malabar and South Canara, and at one-fourth in all the other districts. Thus the rate of batta will be Rupees 5 for a clerk in those two districts and Rupees 3-12-0 for a clerk in the other districts.
