Proceedings of the Madras Government, Financial Department,
29th June 1874.

No. 266. Read the following Proceedings of the Board of Revenue, dated 19th June 1874, No. 1504:—

Read the following letter from J. R. COCKERELL, Esq., Commissioner of the Nilgiris, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Ootacamund, 19th May 1874, No. 42

I HAVE the honour to transmit, with reference to G. O., dated 16th March 1874, No. 443, Financial Department, a statement showing that in the past year 368 persons rested in Subba Row's chuttrum in Ootacamund.

2. The order calls upon me to report whether the chuttrum is of any real use, as I had forwarded an estimate for its repair. The chuttrum is frequented by all the caste people visiting Ootacamund who can find no better lodging.

3. I submitted the statement to the Municipal Commissioners in view to ascertaining whether, instead of repairing the chuttrum, some arrangement could not be made for building a caste chuttrum adjoining the Municipal chuttrum by means of joint Government and Municipal funds. The Commissioners arrived at the conclusion that a joint chuttrum would not secure the object intended, because caste people would object to tenant it. This opinion was held in view of the circumstance that the Municipal chuttrum is surrounded by buildings tenanted by Pariahs, while Subba Row's chuttrum is in the caste quarter, and has been occupied as a caravanserai since the beginning of 1850, when it was transferred to Government on condition Government should maintain it and keep up an establishment of Rupees 10 per mensem.
