To

THE SECRETARY TO THE GOVERNMENT OF BENGAL,
Public Works Department.

SIR,

With reference to your letter, dated the 16th ultimo, No. 4095, I am directed to forward, for the information of His Honor the Lieutenant-Governor, copy of a letter* from the President of the Madras Municipal Commission, giving cover to copy of the agreement for construction and maintenance of Tramways in Madras, and promising to furnish full particulars of the traffic arrangements as soon as they are completed.

* Dated the 4th July 1874, No. 134.

I have the honor to be,
Sir,
Your most obedient servant,

OOTACAMUND,
8th July 1874.

Acting Chief Secretary.

From J. C. LOCH, Esq., President of the Municipal Commission, Madras, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 4th July 1874, G. No. 134.

I have the honor to acknowledge receipt of the Order of Government, in the Financial Department, of the 29th ultimo, forwarding copy of a letter from the Secretary to the Government of Bengal in the Public Works Department, and applying for all the information which may be available on the subject of the Street Tramways established in Madras.

2. I send herewith copy of the agreement between the Tramway Company and the Commissioners, and will let you have full particulars of the traffic arrangements made by the Manager as soon as these are completed. The Tramways are very nearly finished, but are not yet open for the use of the public, though some experimental trips have been made with successful results so far as the actual working of the lines is concerned.

3. It is of course impossible to form at present an estimate to be relied on in regard to the undertaking proving a paying one, and I find those best qualified to form a judgment much divided in opinion on the subject. I believe the feeling of the majority to be that it is not likely to be nearly so profitable as anticipated by the shareholders in England.
