Proceedings of the Madras Government, Financial Department,
23rd January 1874.

No. 156. Read the following Proceedings of the Board of Revenue, dated 20th December 1873, No. 8714 (Miscellaneous):—

Read the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chittoor, 5th December 1873, No. 763:—

When the Civil Dispensary at Palmanair was first opened in January 1873, Honorary Assistant Surgeon Mr. Huffton was appointed in charge of that institution on a monthly salary of Rupees 100, who, after remaining three months and seventeen days, resigned the post on the 18th May last. The Local Fund Board then, finding that the dispensary was left without any resident medical officer, requested Mr. Puckle, the Deputy Superintendent of Revenue Survey at Palmanair, to spare the services of his office Hospital Assistant to take charge of the dispensary until a competent medical subordinate might be appointed. The present Hospital Assistant, Sundara Mudali, was accordingly appointed temporarily on a monthly allowance of Rupees 30, and he has continued in charge of the dispensary up to this day. The Accountant-General in his objection memorandum, dated 19th November last, No. 335, requires the whole allowance drawn by the Hospital Assistant from Local Funds up to the end of last month to be recovered in cash for want of the sanction of Government. I have the honour, therefore, to request that the Board will be pleased to move Government to sanction the payment of an allowance of Rupees 30 per mensem from Local Funds to the Hospital Assistant during the time he remains in charge of the dispensary and until relieved by a 2nd Class Apothecary, whose entertainment was sanctioned by Government in their Order, dated 20th October 1873, No. 1523.

Submitted for the sanction of Government.
