Proceedings of the Madras Government, Financial Department,
13th July 1874.

No. 137. Read the following letter from R. W. LODWICK, Esq., Commissioner of Paper Currency, to the Honorable D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 4th July 1874, No. 267 :—

I have the honor to bring to your notice that P. Teagaroya Charry, Cashier of the Paper Currency Department, died on the 9th May last.

2. The late Cashier lodged, as security for his appointment, five Government Promissory Notes, aggregating in value Rupees five thousand. Of these Promissory Notes, three last stood in the name of one Soobooroya Chetty, one in the name of Messrs. Arbuthnot and Co., and the last in the name of P. Teagaroya Charry, who endorsed them respectively in favor of the Commissioner of Paper Currency, Madras.

3. The widow of the late Teagaroya Charry now applies for the return to her of the Promissory Notes, as well as for payment of the arrears of salary, Rupees 96-12-5, due to the deceased, and states that she is unable to obtain Letters of Administration as her late husband left no property, and as the Promissory Notes themselves belong to Soobooroya Chetty, and were merely borrowed from him to secure the situation.

4. Under the circumstances, I beg to be informed if I can make over the Promissory Notes and the arrears of salary to the widow of the late Teagaroya Charry without making her obtain Letters of Administration. It seems to me that there will be no danger in doing so, if the widow is made to execute a bond with two competent sureties, protecting the Government against any claim that may be made hereafter.

5. I am not aware whether the opinion of the Government Law Officer is requisite on the matter: but on this point His Excellency in Council will of course decide.

No. 138. ORDER THEREON, 13th July 1874, No. 1160.

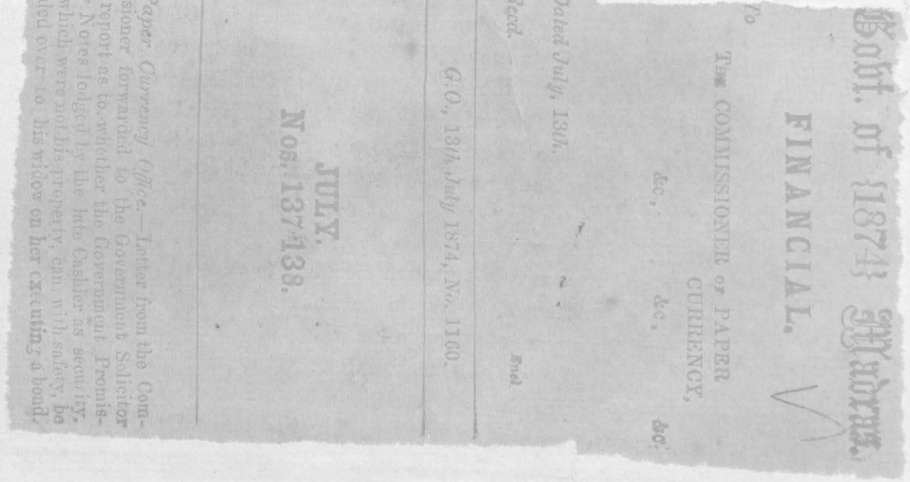

Copy of this letter will be furnished to the Government Solicitor for report whether the Government Promissory Notes, which were not the property of the late P. Teagaroya Charry, can, with safety, be handed over to his widow on her executing a bond.
