No. 180. Read the following Proceedings of the Board of Revenue, dated 10th July 1874, No. 4618 (Miscellaneous):—

Read the following letter from G. VANSAGNEW, Esq., President of the Local Fund Board, Nellore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Nellore, 16th March 1874, No. 324:—

Some years ago a ward was built on to the Civil Dispensary at Nellore for the use of the Police from funds (Rupees 1,820) furnished by that Department.

2. Not only is this quite insufficient accommodation for the Police, but their location in the Dispensary is unpopular, and is believed to keep ordinary civil patients from availing themselves of the benefits of the institution. Moreover more space is wanted for ordinary in-patients. Under these circumstances, sanction for a new and separate Police Hospital has been obtained in that Department on condition that they are paid the present value of the existing Police ward. This value has been fixed by the Public Works Department at Rupees 1,400.

3. Properly speaking, the Civil Dispensary is a Municipal Institution, but it is also one in which the Local Fund Board have a strong interest, and they have already contributed funds to it.

4. As I was aware that the Municipal Commissioners could not afford to pay for the Police ward, the question was laid directly before the Local Fund Board; and at a meeting held on the 7th August last, it was resolved to purchase the ward at a professional valuation.

5. The intention was to pay the money (Rupees 1,400) on getting possession of the ward, but the Superintendent having represented that he can only get Rupees 1,649 to begin the new Police Dispensary upon in the coming year, and begged that the Local Fund Board would advance the Rupees 1,400 at once, the Board at their last meeting consented to do so. A copy of their resolution, No. 151, is subjoined.

6. The total estimate for the new Police building is Rupees 8,000, of which Rupees 5,600 are for the main building, and Rupees 2,400 for out-houses.

7. If the Local Fund Board advance the Rupees 1,400, about Rupees 3,000 will be spent in the coming year; and the Superintendent states that the main building will be completed in 1875-76, and the out-houses in the year after.

8. I have the honor to request that, under the above circumstances, Rupees 1,400 may be placed at my disposal on the 1st proximo from the General Fund Reserve of 1874-75.

2. The Civil Dispensary at Nellore being a Municipal Institution the value of the Police ward attached to it should be paid for by the Municipality, but as that body are unable to pay the amount, the Local Fund Board have agreed to purchase the ward for Rupees 1,400,* the present value of the building as fixed by the Public Works Department.
