Proceedings of the Madras Government, Financial Department,
24th July 1874.

No. 237. Read the following letter from W. D. HORSLEY, Esq., President of the Municipal Commission, Cuddapah, to the Honorable D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Cuddapah, 15th July 1874, No. 57:—

With reference to remarks made in paragraph 3 of G.O., dated 7th May 1874, No. 789, I have the honor to state that the allotment for conservancy has not been reduced in order to admit of an increased expenditure on New Works. The decrease of Rupees 970, under the head of "Conservancy," is due to the following circumstance. Hitherto the sweepings of the town were conveyed beyond Municipal limits. The sweepings are now taken to fill up two large pits in the town, and thus the number of carts employed on this work has been reduced from twelve to eight.

No. 238. ORDER THEREON, 24th July 1874, No. 1229.

To be recorded.
