Read the following Proceedings of the Board of Revenue, dated 25th June 1874, No. 1,570:—

Read the following letter from W. McQUHAE, Esq., Collector of Madura, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Sholavandan, 16th May 1874, No. 134.

THE Postmaster-General having inquired whether I can provide huts for runners employed in district postal lines, I have the honor to request the Board's orders on the subject. We require fifty-four huts which, at Rupees 22 each, will cost Rupees 1,188. Huts are undoubtedly necessary for the improvement of the running in district lines, as the men cannot be kept in their proper places unless shelter is provided for them there. The cost might be met from general savings under Petty Construction and Repairs in the Revenue Budget of 1874-75.

SUBMITTED for the favorable consideration and orders of Government.

2. There is no provision for the charge in the Budget for the current year, and it cannot be met from savings.

THE erection of the huts is necessary and is approved.

2. The provision of funds will be considered in the Financial Department.
