No. 52. Read the following Proceedings of the Board of Revenue, dated 31st July 1874, No 2034 :—

Read the following letter from W. S. FOSTER, Esq., President of the Local Fund Boards, Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 24th June 1874, No. 50.

I HAVE the honor to submit the enclosed original letter, No. 5, dated the 29th April 1874, from the Vice-President of the Rajahmundry Municipality, asking for a contribution equal to the sum of Rupees 1,350, allotted for the repairs of roads in the municipal limits, towards maintaining the high road which passes through the municipal limits, and request that the Board of Revenue will pass such orders as they deem expedient.

2. This letter was laid before the Local Fund Board of the Cocanada Circle at their meeting on the 16th June 1874, and the Local Fund Board have agreed to pay the contribution if sanctioned by the Revenue Board, as the Municipality stated, in their letter above alluded to, that they consider the allotment made for repairs in the Municipal Budget is insufficient to meet the requirements of existing roads.

3. I request that the Board of Revenue will authorize the contribution to be paid to the Municipality from the General Fund Balance of the Cocanada Circle.

ENCLOSURE No. 1.

From W. P. AUSTIN, Esq., Vice-President, to W. S. FOSTER, Esq., President of the Local Fund Board, Cocanada Circle, dated Rajahmundry, 29th April 1874, No. 5.

I HAVE the honor to inform you that the Commissioners consider the amount of Rupees 1,350, allotted for repairs in the Municipal Budget-estimate, is insufficient to meet the requirements of existing roads, and, therefore, request you will be good enough to contribute an equivalent sum towards the maintenance of the high road which passes through municipal limits.

SUBMITTED for the orders of Government.

2. The Rajahmundry Municipality have asked the Cocanada Local Fund Board for a contribution of Rupees 1,350 on account of road repairs.

3. The only reason given is that the sum which the Municipality have been able to allot (Rupees 1,350) is insufficient.

4. The Board find that the allotment for repairs in the Budget for 1872-73 was Rupees 1,120, and the actual expenditure Rupees 906. In 1873-74 the estimate was Rupees 1,350.

5. The Municipality expects to get Rupees 2,000 from tolls.

6. The Board do not think that the contribution can be allowed under these circumstances.
