Proceedings of the Madras Government, Financial Department,
12th August 1874.

No. 54. Read the following Proceedings of the Board of Revenue, dated 28th July 1874, No. 1984 :—

Read the following letter from W. D. HORSLEY, Esq., President of the Local Fund Boards, Cuddapah, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 7th July 1874, No. 417.

I HAVE the honor to state that the Zillah Surgeon, Cuddapah, inspected the Proddatur Local Fund Dispensary three times in the last official year 1873-74, for which he claims the allowance sanctioned in the Budget for that year, viz., Rs. 100 per annum.

2. Regarding such inspections, there are two Government Orders, No. 631, dated 12th May 1873, and No. 1,573, dated 29th October 1873. In the first Order it is said that there are insuperable objections to Zillah Surgeons inspecting outlying dispensaries; in the second Order it is said that professional inspection of dispensaries is necessary. The objections in the first Order apparently are the ordinary duties of the Zillah Surgeon rendering it unadvisable that he should be called away from his head-quarters; in the second Order, there are financial objections to making an increase in the medical staff of inspecting officers.

3. In this case, the Proddatur Dispensary is only seven miles from the Yerraguntla Railway Station, and the Zillah Surgeon was thus able to make the inspection without neglecting his duties at Cuddapah. The Budget for last year provided for the charge, so that financially there are no objections to the money being paid.

4. I beg that the Board will obtain the orders of Government on the subject.

SUBMITTED for the orders of Government.

2. The Board agree with the President that in this particular case there was no objection to the Zillah Surgeon inspecting the dispensary, and think the allowance specified by the Surgeon-General in paragraph 16 of the letter recorded with G. O., Financial Department, dated 12th May 1873, No. 631, should be sanctioned.
