No. 73. Read the following Proceedings of the Board of Revenue, dated 21st July 1874, No. 1898:—

Read the following Proceedings of the Madras Government, dated 19th June 1874, No. 1,043, Financial Department.

ABSTRACT.—*Calicut and Tellicherry Circles*—The Budget Estimates of these circles for 1874-75, reviewed and passed.

THE printed Local Fund Budgets of the Calicut and Tellicherry Circles for 1874-75 are, herewith, circulated to all officers concerned.

2. The President is requested to submit the report called for in paragraphs 2 and 4 of the Government Order regarding the old Rate Schools in both the circles.

3. It is observed from Statement IV.-A of the Calicut Circle Budget that the increase in the cost of the bungalow establishment over that of 1873-74, viz., Rupees 160, is owing to the establishment newly proposed for the six bungalows noted in the margin, and not to the provision of the salaries of two sweepers to the Peria and Nelambur Bungalows, as stated in paragraph 42 of the Board's Proceedings, dated 30th April 1874, No. 1,015, recorded in the Government Order under reference. The latter information was derived from paragraph 64 of the President's letter,* giving cover to the Budget, which runs as follows:—

1 Tanoor.
2. Tritala.
3. Vanienkulam.
4. Alattur.
5. Kollangode.
6 Cherupulcheri.

* Dated 15th December 1873, No. 642.

"The increase under this head is very trifling, being only Rupees 110, and is owing to a sweeper entertained in the Peria Bungalow, with reference to the G. O., dated 4th June 1873, No. 790, and to another proposed for the Nelambur Bungalow in the last meeting."

4. As the Peria Bungalow is in the Tellicherry Circle, it is not apparent why any mention is made in the Budget-covering letter of the Calicut Circle regarding the sweeper entertained for the bungalow. Moreover, no provision is made in Statement IV.-A for the newly proposed sweeper for the Nelambur Bungalow, and yet the President makes it appear that the increase in the cost of the bungalow establishment over that of 1873-74, was owing to the inclusion of the salaries of these two sweepers. The President will explain. Pending the receipt of a reply, the new provision of Rupees 160 for the six bungalows mentioned above is disallowed.

5. The total allotment in both the circles on account of public works and tools and plant is Rupees 3,50,920 as hereunder particularized:—
