Proceedings of the Madras Government, Financial Department,
20th August 1874.

No. 114. Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 12th August 1874, No. 1361:—

Adverting to G.O., Financial Department, No. 795, dated the 8th May 1874, I have the honor to send, herewith, copy of a letter, No. 406, dated the 31st ultimo, from the Inspector of Schools, 5th Division, reporting that the sum allotted by the Tinnevelly Local Fund Board for education is insufficient.

From T. MARDEN, Esq., Inspector of Schools, 5th Division, to E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, Madras, dated Coimbatore, 31st July 1874, No. 406.

I have the honor to report to you that the Vice-President, Local Fund Board, Tinnevelly, informs me that the total sum paid in Result Grants during the current and previous year for schools examined during 1873-74 amounted to Rupees 15,800, and he calculates that, excluding girls' schools, the grants of which are henceforth to be paid out of Imperial Funds, the amount required to meet the results of the examinations that will take place during the remainder of the current year may be put down at *not less* than Rupees 14,000.

2. To meet this demand there is only Rupees 3,000, and the Vice-President considers it quite impossible for the Local Fund Board to supply the remaining Rupees 11,000.

3. Of course, do the best we can, we cannot make Rupees 3,000 do the work of a sum nearly five times as large, and the consequences to our educational operations are too obvious for it to be necessary for me to do more than thus advert to them. I would, however, suggest that the attention of Government should be drawn to the state of affairs.

No. 115. ORDER THEREON, 20th August 1874, No. 1386.

Referred to the President of the Tinnevelly Local Fund Board for early report.

2. It is observed that the budget allotment for Results Grants for the current year was Rupees 11,000, and that the appropriation of Rupees 13,000 from the one-third Land Cess to the Road Fund was sanctioned on the understanding that ample provision was otherwise available for Results Grants, Chuttrums, and Sanitary purposes.
