No. 116. Read the following letter from R. W. LODWICK, Esq., Accountant-General, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 15th August 1874, No. 267:—

Audit Department.

I have the honor to represent that the work of this office is greatly increased, and the despatch of business much impeded, by names being frequently spelt, by pensioners and others, differently to the entries of such names in the permanent payable orders and Government Orders, as well as by the names of native officials and pensioners being variously given at different times. A constant correspondence has to be kept up with local officers of all departments for the purpose of satisfying this office of the identity of persons whose names are differently written in the annual returns from the entries in bills and papers. I have the honor to request, therefore, that officers of every department may be called on to write the names of native officials in strict accordance with the annual returns for 1874-75, and, as regards pensioners, to see that the names given always agree exactly with the entries in the permanent payable orders.
