No. 125. Read the following letter from A. McC. WEBSTER, Esq., Acting President of the Municipal Commission, Vizagapatam, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Vizagapatam, 4th August 1874, No. 1122 :—

With reference to paragraph 2 of G.O., dated 7th May 1874, No. 791, I have the honor to forward a Supplemental Budget Estimate for 1874-75, wherein provision is made for the collection of Profession-tax of Classes I. to V., and the expenditure of the money on sanitary works, and request that early sanction may be accorded.

No. 126. ORDER THEREON, 21st August 1874, No. 1393.

In reviewing the Budget Estimate of the Vizagapatam Municipality for 1874-75, the Government remarked that they would leave it to the Commissioners to levy certain additional funds required by the Municipality, either by means of a partial Profession-tax or by an increase in the rate of House-tax. The Profession-tax appears to have been preferred, as in his letter above recorded, the President forwards a Supplemental Budget showing the following increase to the revenue :—

	RS.
Additional opening balance	2,850
Profession-tax (Classes I. to V.)	5,000
Total ...	7,850

This it is proposed to allot as under :—

	RS.
Eight Latrines	3,898
Tanks and Wells	2,000
Results Grants	348
Conservancy Carts	500
Minor Conservancy Items	100
Lighting	800
Establishment	204
Total ...	7,850

2. The only item about which the Government have any hesitation is the provision for an increase to the office establishment, and, until sufficient explanation is furnished, it must be disallowed. It is observed that the estimated cost of supervision and management as it stands is Rupees 2,717, or nearly 11 per cent. of the income. The average for 1872-73 was about 9½ per cent.

3. The formal sanction of Government required by law for the levy of the Profession-tax was accorded in G.O., dated 31st March 1874, No. 539, and the Supplemental Budget for the appropriation of the amount is passed with the exception above noted.
