No. 134. Read the following letter from the Hon. D. ARBUTHNOTT, President of the Municipal Commission, Tanjore, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Trivadi, 11th August 1874, No. 139 :—

As desired by the Commissioners of the Mayaveram Municipality, I have the honor to forward, herewith, for the consideration and orders of Government, copy of a resolution passed by them at their meeting held on the 23rd June 1874, from which it will be seen that the Commissioners claim some contribution from Government towards the pay of the Hospital Apprentice in charge of the Mayaveram Municipal Dispensary, as he affords medical aid to the Head Assistant Collector and his establishment as well as the Police. The Commissioners further observe that the present practice of indenting for separate sets of medicines required for the above-mentioned officer and others is very inconvenient, and propose that the Municipality should be allowed to indent for all the medicines, receiving a grant from Government equal to the value of the medicines now sent for for the use of the Head Assistant Collector's Office and Police.

Extract from the Proceedings of the Municipal Commissioners for the Town of Mayaveram, dated 23rd June 1874.

The Commissioners consider that the Government ought to pay a part of the Hospital Apprentice's salary as he has the charge of the Head Assistant Collector and Magistrate and his establishment, and of the Police. They also desire to bring to the notice of Government that separate sets of medicines are at present sent for the Head Assistant Collector and Magistrate and his establishment and for the Police; that the Medical Officer in charge cannot supply defects in the one set of medicines by using some of another even though some medicines go bad from long keeping. This seems somewhat absurd. It would be better to let the Municipality indent for all the medicines required, and for Government to give them a grant equal to the value of the medicines now sent for the Head Assistant and for the Police.

No. 135. ORDER THEREON, 21st August 1874, No. 1398.

The Government resolve to sanction a grant from Provincial Funds of twenty-five per cent. of the salary of the Medical Subordinate in charge of the Mayaveram Dispensary in consideration of servants of Government receiving treatment and medicines free of charge.

2. Under the above arrangement separate indents for medicines for Government servants must be discontinued so far as the Municipal Dispensary is concerned.
