Proceedings of the Madras Government, Financial Department,
21st August 1874.

No. 138. Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 5th August 1874, No. 1319 :—

Referring to G.O., Financial Department, No. 1217, of the 23rd July last, I have the honor to suggest that the papers therein ordered to be submitted through me may be sent by the Presidents of Local Fund Boards and Municipalities, not to me in the first instance, but to the Educational Inspectors, in order that the latter may forward them, with their opinions, to me.

2. If the papers come to me at once, I shall be compelled to send them to the Inspector for report, and much time will be lost. Thus, if the Ganjam President makes a proposal under the present ruling, he will send the papers to Madras ; I shall then have to send them back to the Inspector of Schools for the 1st Division, who may happen to be in Ganjam at the time.

3. Of course I need not point out that, without the local knowledge of the officers on the spot, it would be impracticable for me to make an appropriate recommendation.

No. 139. ORDER THEREON, 21st August 1874, No. 1403.

The Government do not consider that the arrangement proposed is necessary now that all Inspectors of Schools are Members of the Local Boards.

2. All Presidents of Local Fund Boards will take care that no proposal is submitted to the Director until the local educational officer has had an opportunity of expressing an opinion thereon.

3. The Director will have observed from G.O., dated 19th instant, No. 1371, that his opinion is to be submitted to Government through the Board of Revenue.
