No. 175. Read the following Proceedings of the Board of Revenue, dated 13th August 1874, No. 2238 :—

Read the following letter from J. H. GARSTIN, Esq., President of the Local Fund Boards, South Arcot District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 30th June 1874, No. 59 :—

SINCE submitting the Supplemental Budget of the Cuddalore Circle for the current year, I have received several emergent estimates, as detailed in the accompanying list, for closing breaches in, and repairing damages done to, roads in the circle by the recent heavy rains and floods in the Pennair and Mallataur Rivers. Estimates Nos. 1 to 9 were laid before the Local Fund Board, and passed* by them at their last meeting.

Vide letter, dated 1st June 1874, No. 48.
Board's Procs., dated 22nd June 1874, No. 1,528.

* Copies of Resolutions enclosed.

The other estimates subsequently received have not yet been laid before the Board; but, as they are all of an emergent nature, I have authorized their being proceeded with at once, in anticipation of the sanction of the Board.

2. I have, therefore, the honor to request that the Revenue Board will be pleased to move the Accountant-General to place the total sum of Rupees 18,909, on account of these estimates, at the disposal of the District Engineer of South Arcot, from the sources pointed out below :—

Funds available for allotment.

	Rs.
Unappropriated General Fund Balance of 1873-74	3,000
Road Fund Reserve of 1874-75	13,260
General Reserve of 1874-75	4,670
Total ...	20,930

† To be returned.

3. I forward those estimates† which are above Rupees 1,000 for the Board's sanction.

ENCLOSURE No. 1.—List of emergent estimates.

ENCLOSURES Nos. 2 to 7.—Estimates.

ENCLOSURE No. 8.—Plan.

ENCLOSURES Nos. 9 and 10.—Extracts from Proceedings of Local Fund Boards.

WITH the foregoing letter, the President submits a list of emergent estimates for closing breaches in, and repairing damages done to, roads in the Cuddalore Circle by the recent heavy rains and floods in the Pennair and Mallataur Rivers, as well as estimates for six of the works costing more than Rupees 1,000 each.

2. The list contains 14 items, with an aggregate allotment of Rupees 18,909, and it is proposed to provide funds from the following sources :—

	Rs.
Road Fund Reserve	13,260
General Fund Balance	3,000
Do. Reserve	4,670
Total ...	20,930

3. The Board observe that out of the Road Fund Reserve of Rupees 13,260, there is only Rupees 7,532 available for appropriation. This sum deducted from the total allotment of Rupees 18,909 leaves a balance of Rupees 11,377 to be provided for. Considering the urgent nature of the works in question, the Board agree with the President in opinion that the requisite funds should be provided from the General Funds of the Circle, and accordingly sanction, subject to the confirmation of Government, the transfer of Rupees 11,377 as hereunder particularized :—

	Rs.
Reserve as in the Budget	13,260
Deduct allotments already made ...	5,728
	7,532

	Rs.
General Fund Balance to the Road Fund	8,710
From the General Fund Reserve to Road Fund	2,667
Total ...	11,377

	Rs.
* No. 1 in the list	4,670
,, 2 do.	2,400
,, 3 do.	2,400
,, 4 do.	4,450
,, 10 do.	1,280
,, 13 do.	1,015
Total ...	16,215

The Accountant-General is requested to place Rupees 18,909 at the disposal of the Public Works Department.

4. The estimates for the six* works mentioned above, amounting in the aggregate to Rupees 16,215, are sanctioned, and are herewith returned to the President.
