Proceedings of the Madras Government, Financial Department,
27th August 1874.

No. 202. Read the following Proceedings of the Board of Revenue, dated 10th August 1874, No. 2187 :—

Read the following letter from J. H. MASTER, Esq., Collector and President Local Fund Boards, Bellary, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 25th July 1874, No. 257 :—

I HAVE been requested by the Local Fund Board of the Bellary Circle, in their Proceedings, No. 23, passed at a meeting held on the 14th July 1874, to ascertain from Government, whether their Resolution as per margin, as contained in paragraph 7 of their Order, No. 746 of 30th April 1874, has any reference to the existing middle class schools. I think it must only be applicable in the case of institutions of the kind being established in future. But as it is necessary that this doubt should be cleared up, I request instructions in the matter, so that the Local Fund Boards may be able to know whether they should or should not provide for the existing middle class schools in the Budget for 1875-76.

The Government having resolved now that the house-tax has been discontinued, to permit no portion of Local Funds to be diverted to middle class education.

2. All the six schools in the Bellary Circle are at present middle class schools, having been formerly Rate schools.

SUBMITTED for the orders of Government.
