Proceedings of the Madras Government, Financial Department,
1st September 1874.

No. 10. Read the following letter from A. MACGREGOR, Esq., President of the Municipal Commission, Calicut, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Calicut, 20th August 1874 :—

The Municipal Commissioners of Calicut are desirous of having a second Hospital Assistant posted to the Civil Dispensary, as they consider, and the Civil Surgeon agrees with them, that the work cannot be efficiently done by one man. As the work is heavy, the Commissioners think it desirable to have an experienced man and, therefore, wish to have a Second-class Assistant sent.

2. The Commissioners addressed the Surgeon-General on the subject, but he replied that the sanction of Government was necessary, and I, therefore, now make application.

No. 11. ORDER THEREON, 1st September 1874, No. 1463.

The entertainment of a second Hospital Assistant is approved, provided the Surgeon-General can arrange to supply a medical subordinate of that grade without interfering with more pressing applications.
