Board's Proceedings, dated 15th May 1874, Misçellaneous No. 3,219.

Read the following letter from J. F. SNAITH, Esq., Principal Assistant Collector in charge, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Vizagapatam, 15th April 1874.

With reference to the Proceedings of the Board of Revenue, Miscellaneous No. 1750, dated 14th March 1874, I have the honor to state that, at a meeting of the Local Fund Board of the Nursipatam Circle held on the 28th ultimo, the majority of the members have resolved that they can afford to pay Rupees 127-8-0 towards the pay of a medical subordinate for the Nursipatam Dispensary, and would prefer the services of a separate individual for that institution. I therefore request the Board will be good enough to submit the resolution for the favorable consideration of Government.

The Board do not quite understand this letter. The Surgeon-General has stated that, if the Local Fund Board share the Assistant Apothecary with the Police, they will have to pay Rupees 127-8-0 a-month. The President states that the Local Fund Board think they can afford to pay Rupees 127-8-0, *and* would prefer a separate officer.

2. If a separate officer is employed, he cannot (according to existing orders) be of lower grade than a Passed Hospital Apprentice whose pay is Rupees 720 per annum, with Rupees 144 for house-rent and Rupees 35 for bedding and clothing. This is of course less than Rupees 127-8-0 a-month.

3. The President will be good enough to explain when replying to G.O., 23rd April 1874, No. 676.

Letter from A. McC. WEBSTER, Esq., Acting Collector of Vizagapatam, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 11th July 1874, No. 1,013 :—

Referring to the correspondence marginally noted, I have the honor to inform you that the Nursipatam Local Fund Board prefer a separate medical subordinate for the proposed Dispensary at Nursipatam, whatever his pay may be.

1. G. O., No. 676, dated 23rd April 1874.
2. Proceedings of the Board of Revenue, Miscellaneous No. 3,219, dated 15th May 1874.

2. They were hitherto under the impression that an Apothecary could be had for Rupees 127-8-0 a month. But under the circumstances stated in the Surgeon-General's letter, the Local Fund Board will be content with a Passed Hospital Apprentice on Rupees 75 a month.

3. The reasons which have induced the Nursipatam Board to require a separate Medical officer are :—

"(1.) Lest one should be incapacitated by sickness in so feverish a place as Nursipatam.

"(2.) That he would be under their exclusive control.

"(3.) That there would be greater economy, viz., the separate officer in the one case will cost 12×74-14-8 ; but the contribution in the other will be 12×127-8-0."

4. The Local Fund Board would also prefer having a separate Hospital Apprentice entirely at their disposal, rather than the partial services of an Apothecary.

SUBMITTED to Government, with reference to G. O., Financial Department, dated 23rd April 1874, No. 676, and with the request that the entertainment of a Passed Hospital Apprentice for the Nursipatam Dispensary may be sanctioned.
