Proceedings of the Madras Government, Financial Department,
1st September 1874.

No. 14. Read the following Proceedings of the Board of Revenue, dated 17th August 1874, No. 2286 :—

Read the following letter from A. MACGREGOR, Esq., President of the Local Fund Boards, Malabar, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Calicut, 30th July 1874, No. 154 :—

I HAVE the honor to request that you will obtain the sanction of Government to increase the pay of some of the menial servants* of the Manjeri Hospital of this district. They are now paid Rupees seven, six, five respectively.

* Clerk, Ward Cooly, Cook.

2. Since the dispensary has been instituted, the number of In and Out Patients has been increased considerably, while the wages of these servants remained the same, though it is admitted that the work turned out by them is much heavier and varied than at the outset.

3. There was a good deal of clerical work in the Hospital done by the Dresser himself, detrimental to his legitimate work, and it was with the view of relieving him, a clerk on Rupees 7 was sanctioned by Government, in their order dated ———, but since then the number of patients having considerably increased, the duty of the clerk has become more heavy.

4. As regards the other two servants, I need hardly say any thing, the one is doing the duty of a Compounder and the other of Cook.

5. Under these circumstances, I request that the pay of these men be increased to Rupees eight, seven, six respectively from the beginning of this year, which is a rupee more than their present income.

6. The increase now recommended may be met from the savings effected in the pay of the Dresser, which is budgeted at 70 Rupees per month, on the understanding that the Hospital would be under the charge of an Hospital Apprentice, which is not the case.

7. The Local Fund Board of this circle has approved of this increase.

SUBMITTED for the favorable consideration of Government.
