No. 24. Read the following Proceedings of the Board of Revenue, dated 22nd August 1874:—

Read the following letter from the Hon. D. ARBUTHNOTT, President of the Local Fund Boards, Tanjore District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Vallam, 10th August 1874, No. 236:—

I have honor to forward an estimate, amounting to Rupees 5,500, for improving road No. 12 from Aduturai to Tranquebar, by raising and widening it from the 6th to the 23rd mile.

2. The District Engineer writes as follows as to the necessity for the work:—

"(2.) This road runs along the right bank of the Veera Sholen River; it does not appear to have been ever formed to the full width. The bank is high, and, as the roadway is too narrow, it is most dangerous for traffic, which is at certain seasons very great.

"(3.) There is no hope of putting this road in proper order from the small maintenance allowance of Rupees 50 per mile, and the work provided for in the enclosed estimate is very much required."

3. The Local Fund Board agree with the District Engineer in considering that the work should be carried out, and have accordingly sanctioned the estimate. A copy of this resolution is enclosed.

4. I request that the Board of Revenue will be good enough to obtain the sanction of the Government to the estimate. I request also that the estimate, if sanctioned, may be sent to the District Engineer direct.

5. The expenditure may be met from the unappropriated balance of the Road Fund appertaining to the circle.

The estimate for improving the road from Aduturai to Tranquebar, by raising and widening it from the 6th to the 23rd mile, at a cost of Rupees 5,500, will be submitted for the sanction of Government.

2. On the receipt of sanction to the estimate, the Board will allot the requisite funds.
