No. 51. Read the following letter from E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Madras, 16th July 1874, No. 1199 :—

I have the honor to make the following remarks upon the subject adverted to in G.O., Financial Department, No. 1097, of the 1st instant.

2. A misapprehension has occurred in some places as to the burden which Government placed upon Provincial Funds in connection with lower-class girls' schools. What Government decided upon was that *grants* to such schools should come from Provincial instead of, as previously, from Local or Municipal Funds. It was never intended that girls' schools of the lower class should be *entirely* maintained by Government ; but this is evidently the view taken by the Nellore Local Fund Board.

3. I suggest that the Nellore Local Fund Board be informed that Government do not purpose to do more than issue grants to girls' schools, of whatever class those schools may be, and that al such schools must be maintained by independent bodies. If the Nellore Local Fund Board decide upon maintaining a lower-class girls' school, which I consider a very desirable measure, such grants as are claimable under the rules may be given it in the usual manner from Provincial Funds.

No. 52. ORDER THEREON, 4th September 1874, No. 1490.

The Director of Public Instruction has taken a somewhat too restricted view of the object of G.O., dated 14th January 1872, No. 42, but his letter will be forwarded to the President of the Local Fund Board for report as to whether a school cannot be established in the manner proposed in paragraph 3.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the Director of Public Instruction, dated 16th July 1874, No. 1199.

Order thereon

The Govt certainly undertook the entire up-keep of any existing girls' schools of the Lower class which had previously been maintained entirely from Local or Municipal funds, but, as pointed out by the Director of Public Instruction, the main object of G.O. dated 14th Janry: 1874, No. 42, was to relieve Local Boards, so far as girls' schools were concerned, of the obligation imposed on them by Rule 50 of the Local Fund Rules, of paying Results Grants
