No. 63. Read the following letter from W. S. FOSTER, Esq., Acting Collector of the Godavery District, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St George, dated Cocanada, 25th August 1874, No. 7 :—

I have the honor to inform you that the Municipal Commissioners of Cocanada have assessed the new Telegraph Building at 90 Rupees. A bill for this amount was sent to the Superintendent of Telegraphs here, and he has returned it saying that he has not yet taken charge of the building from the Public Works Department.

2. The building was occupied for a time, some one belonging to the Telegraph Department having been living in it. But no notice under Section 50 of the Towns Improvement Act, 1871, has been sent in. The building is, therefore, liable to pay the assessment. The bill has been sent to me from the Municipal Office, and I, therefore, request sanction to pay Rupees 90. I shall send a notice that the building is not occupied now; and I will ask for a remission if it is vacant for sixty days from the time of this notice.

No. 64. ORDER THEREON, 7th September 1874, No. 1499.

The payment of the bill is sanctioned.
