*Proceedings of the Madras Government, Financial Department,
7th September 1874.*

Read Budget Estimate of the Chemical Examiner, Madras, dated 2nd September 1874, No. 299.

No. 65. ORDER THEREON, 7th September 1874, No. 1500.

The Budget Estimate of Charges of the Chemical Examiner for 1875-76 amounts to Rupees 14,700, and corresponds with the estimate sanctioned for 1874-75.

2. The expenditure in 1873-74, however, amounted to only Rupees 10,111, as per accounts rendered by the Accountant-General. The reduced expenditure is due to the absence of the Chemical Examiner on leave and the officer who officiated for him having drawn only the acting allowance to which he was, under the rules, entitled.

3. Four out of the five items in the estimate are for salaries. The fifth item is for "contingencies," the necessity for which is explained by the Chemical Examiner.

4. The Governor in Council sanctions the estimate for Rupees 14,700 for inclusion in the Budget for Provincial Services.
