To, Mavas.
The Vice Presidents of the
Municipal Commissions
Sir, Fellore,

I have the honor to inform
you that I am unable to counter-
sign the accompanying Key title
for the Municipal Girls school
Fellore.

2 Government have not undertaken
to maintain Girls' schools, but
merely to give grants-in-aid from
Provincial instead of from Local
Funds. Also, before any grants
can be sanctioned by this Office,
it must be shown that the sums
sought are in accordance with
the rules.

3 The Fellore Municipality
title

will still be the managers of the school, and will have to contribute as managers to its support.

Fort Saint George

Sir,

In para 3 of Government Order
dated 14th January 1874, No 12, the
Government passed an order notifying
that "Commencing with the Fi
"Year 1874-75, the Municipal and L
"Local Funds will be relieved from
"charges on account of elementary
"Girls' schools which will be
"resumed by Government."

Accordingly the Commissioners
were under the impression that they
were relieved of the Girls' school
charges from April 1874, and drew
money on monthly abstracts from
Provincial Funds. They also, at
the

the same time, proposed other schemes for utilizing the sums saved by the relief, thus promised, by Government.

3 The Accountant General required the countersignature of the Director of Public Instruction to the enclosed Bill for April; but the latter Officer declined to pass it for the reasons stated in the accompanying copy of his letter, dated 28th July 1874, No 1272:-

4 The charges incurred in April for the elementary Girls' School in Pellore amounted to Rs 28-8-7, as marginally shown. This school was opened in June 1873 & has succeeded. The strength at present is 57 girls.

5 The Government Order, referred to, appears to be quite explicit, and to contemplate relieving Municipalities and Local Fund Boards of all charges for girls' schools, and I am unable

to see from its wording that this restricted only to charges payable in the shape of regular grants. I therefore request that the charges of the Pellore Girls' school be borne on Provincial charges from April last.

6 At a meeting of the Commissioners held on the 14th July 1874, the following resolution was unanimously passed.

"In the interests of female education the Commissioners resolve to recommend to Government the establishment of a Girls' school at Nellore with the following staff.

I request the same kind of Government to the establishment of this school as a Provincial charge. I have not

submitted this application through
the Director, as he has rejected
the application for funds for
the existing school.

I have the honor to be
