Special Local Fund Budget—Proceedings, Board of Revenue, communicating, with certain remarks, to all Collectors the sanction accorded by Government to the Budget for 1874-75, recorded.

No. 182. Read the following Proceedings of the Board of Revenue, dated 28th May 1874, No. 1280.

THE Board resolve to submit, for the approval of Government, a statement showing the Districtwar particulars of the estimated receipts and charges of the Special Local Funds under their control for 1874-75. An abstract of the statement is given below :—

Funds.	Balance expected at the beginning of the year.	Estimated receipts of the year.	Total	Estimated charges.	Balance.
	RS.	RS.	RS.	RS.	RS.
Jungle Conservancy	2,05,190	1,43,700	3,48,890	2,54,320	94,570
Cattle Pound	25,020	2,22,940	2,47,960	2,30,230	17,730
Nanul Grass	11,580	10,000	21,580	8,900	12,680
Village Service	8,65,860	18,55,130	27,20,990	17,59,200	9,61,790
Endowment	8,940	4,480	13,420	4,430	8,990
Public Bungalow	100	560	660	660	...
Irrigation Cess	13,430	23,300	36,730	32,700	4,030
Canal and Ferry	59,070	24,500	83,570	22,610	60,960
Cochrane's and Sadras Canal ...	...	60,300	60,300	38,260	22,040
Total...	11,89,190	23,44,910	35,34,100	23,51,310	11,82,790

2. The bare estimated receipts of the Jungle Conservancy Fund of the current year are Rupees 1,43,700 against Rupees 2,00,360 of 1873-74, and against Rs. 1,93,122 the actuals of 1872-73. The falling off in the estimated collections is probably owing to the operation of the lower rates of seigniorage on fuel and firewood cut for sale, authorized in G.O., Revenue Department, dated 31st October 1873, No. 1,225.

3. The total assets including the balance amount to Rupees 3,48,890, and the proposed expenditure is Rupees 2,54,320, leaving a balance of Rupees 94,570. The largest balances occur in the Nellore and Salem Districts. To utilize the balance of the former district, the Collector promises to submit a Supplemental Budget. As regards the balance of the latter district, it is observed that Government have already approved of the Collector's proposal for husbanding the resources of the fund.

G.O., Financial Department, 5th March 1874, No. 365.

4. The Collector of South Canara points out that the Jungle Conservancy Fund Receipts of his district (about Rupees 400 a-year) are very low, and consequently inadequate to meet the cost of the Jungle Conservancy operations, and earnestly requests that the sanction of Government may be obtained for crediting to the fund Rupees 1,460, the whole of the Surplus Pound Fund of his district, instead of to the Sydapet Farm and the Local Funds, or at least the moiety thereof which goes to the Local Fund. In anticipation of the approval of Government, the Collector has credited this moiety to the Jungle Conservancy Fund. The Board think that some aid ought to be given, and accordingly recommend Government to sanction the second of his proposals. It is observed that nothing is credited in the current year's Local Fund Budget from the Surplus Pound Fund.

5. As soon as the detailed budget of expenditure out of the Jungle Conservancy Fund is ready, the Board will review it and submit the review and the Taluqwar Abstract Statement for the information of Government.

6. No provision having been made in the District Budgets on account of the establishment entertained in the Board's Office with reference to the Orders of Government marginally noted, the omission has been supplied by the Board.

Financial Department, dated 29th August 1873, No. 1,229.
Financial Department, dated 27th April 1874, No. 708.

7. A statement showing the particulars of charges out of the Cochrane's and Sadras Canal Fund is also herewith submitted. The total proposed expenditure is Rupees 38,260 classified as follows :—

	RS.
New Works	4,140
Repairs	22,200
	26,340
Cost of Public Works Supervision at 25 per cent on the expenditure	6,590
Establishment and Contingencies	5,330
Total...	38,260

	RS.
Maintenance of the Northern Canal from the Cooum River at Madras to the Pulicat Lake	4,000
Maintenance of the Southern Canal from Adyar near Madras to Palar River near Sadras... ...	4,000
Maintenance of the Northern Canal from Pulicat Lake to Dugarajapatam	3,000
Maintenance of the Northern Canal from Dugarajapatam to Kanapoor	1,200

8. It is observed that the works noted in the margin appear also in the Public Works Provincial, and Special Fund Budget for 1874-75.

2. The Jungle Conservancy Fund aggregates Rupees 3,48,890 : the charges Rupees 2,54,320, leaving a balance of Rupees 94,570. The probable receipts for the year amount to Rupees 1,43,700, and fall short of the actual* receipts in 1873-74 by Rupees 23,840, while the expenditure† exceeds what was incurred‡ in that year by Rupees 29,441. The falling off in the receipts is explained by the Board to be due to the operation of the lower rates of seigniorage on fuel and firewood cut for sale, authorized in G.O., Revenue Department, dated 31st October 1873, No. 1225.

3. The Cattle Pound Fund. The receipts are estimated at Rupees 2,47,960, and the expenditure at Rupees 2,30,230, leaving a balance of Rupees 17,730. Compared with the actuals of the past year there is an increase in the estimated receipts of Rupees 13,558, and a decrease in the expenditure of Rupees 8,361. The appropriation of a moiety§ of the Cattle Pound Fund realized in South Canara to defray the cost of Jungle Conservancy in that district is approved.

§ Rupees 760.

4. The Nanul Grass Fund amounts to Rupees 21,580, and the expenditure is estimated at Rupees 8,900. Of the balance of Rupees 12,680, Rupees 7,960 belong to the district of Trichinopoly, but it does not appear from the detailed estimate that any expenditure is to be incurred in that district during 1874-75. The Collector will explain the reason of this.

5. The Village Service Fund, including balance brought forward, amounts to Rupees 27,20,990. The charges are estimated at Rupees 17,59,200, leaving an unappropriated balance of Rupees 9,61,790. The largest items which make up this balance are, in

The Collector of the Godavery District was requested, in paragraph 6 of G.O., dated the 14th June 1873, to submit, through the Board of Revenue, proposals for utilizing the balance, which now amounts to Rupees 1,41,380. The Board will be requested to state whether he has done so or not. The Revenue Department will be requested to expedite the issue of orders on the proposals from Kurnool. The Collector of Salem will submit his proposals for appropriating the balance shown against his district.

The anticipated receipts‖ in 1874-75 are less than those realized¶ in the year preceding by Rupees 5,404. But the estimated charges are Rupees 22,610 against Rupees 3,172, the actuals in 1873-74.
