No. 193. Proceedings of the Board of Revenue, dated 5th June 1874, No. 1357.

Read the following letter from W. S. FOSTER, Esq., President of the Local Fund Boards, Godavery District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cocanada, 21st April 1874, No. 30:—

I have the honor to forward, for sanction, a design and an estimate, amounting to Rupees 1,900, for constructing a small public bungalow at Dharmaveram, on the Trunk Road between Rajahmundry and Tuni.

2. The District Engineer has stated that the bungalow at this stage was pulled down a few years ago as it was no longer safe, and that all the other stages on the road have bungalows.

3. He has further stated that the road, which is in rapid progress, will soon be ready for traffic throughout, and that the stages being long ones travellers must take tents with them, on account of this one want on the whole line.

4. The Local Fund Board of the Cocanada Circle have approved of the project and proposed at their meeting on the 14th April 1874 to send it for consideration of the Board of Revenue.

5. Under these circumstances, I request that the Board of Revenue will sanction the estimate and move the Accountant-General to place the estimated amount, *viz.*, Rupees 1,900, at the disposal of the District Engineer from the Road Fund Balance of the Cocanada Circle.

Enclosures Nos. 1 and 2.—Plan and Estimate.

Submitted for the orders of Government.

2. The Board are decidedly of opinion that a public bungalow should be built at Dharmaveram, but they think the cost should be charged to Provincial Funds and not to the Local Fund.
