ABSTRACT.—Observing that the Board of Revenue have expressed no opinion as to the Petty Construction and Repairs in the Salt Department.

THE Board observe that the cost of Petty Construction and Repairs in the Salt Department is now and has always been treated as an Imperial charge.

2. The opinion asked for in G. O., dated 15th June 1874, No. 736, was an opinion as to whether charges now borne by the Provincial Revenue should be retransferred to the Imperial estimates.

3. The Board think it would be not only inexpedient but wrong in principle to transfer the cost of Petty Construction and Repairs in the Salt Department to Provincial estimates.
