Proceedings of the Madras Government, Financial Department,
3rd February 1874.

No. 5. Read the following letter from R. W. LODWICK, Esq., Accountant-General, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort St. George, 30th January 1874, No. 517 :—

Audit Department.

I have the honour to state that the amount authorized in Proceedings of Government, Public Department, No. 89, dated 27th instant, will exceed by about Rupees 10,000 the sum sanctioned for the year on account of the expenses connected with the Government-house as Rupees 50,000 have already been drawn under Orders, dated 7th April 1873, No. 468, Financial, and 28th November 1873, No. 1229, Public. Under the Budget Rules this excess is inadmissible unless specially sanctioned by the Government of India, and I, therefore, beg that the Treasury Order may be altered.

No. 6. ORDER THEREON, 3rd February 1874, No. 165.

The Accountant-General is directed to pass the advance of Rupees 30,000 authorized in G.O., dated the 27th ultimo, No. 89, on account of the "Household expenses" of His Excellency the Governor.

2. As it is not practicable at present to affirm that the expenditure for the year will exceed the grant by a specific amount, the Governor in Council does not see the necessity for requesting the sanction of the Government of India for an assumed excess.

3. He will, however, be prepared to make application eventually should the actual accounts of the expenditure for the year show that the grant has been exceeded.
