No. 21. Read the following Proceedings of the Board of Revenue, dated 18th September 1874, No. 2679 :—

Read the following letter from A. MACGREGOR, Esq., Vice-President, to A. WEDDERBURN, Esq., President, Erode Municipal Commission, Coimbatore, dated 1st August 1874, No.—

I HAVE the honor to request your opinion as to whether the Municipal Commissioners are at liberty to sell a portion of the compound of the old Chuttrum here as building sites.

2. I may remark that these Chuttrums have been handed over to us, and we have to keep them in repair, etc.

3. I enclose a sketch of the compound. The pieces marked in red I propose to dispose of, as they are not required for the chuttrum, and are at present used by the people as a latrine.

4. With the proceeds of the sale, we propose to sink a well which is much needed at this Chuttrum, and if we obtain sufficient funds, to erect a latrine close by.

5. I believe that as the Chuttrums have been made over to us by Government, the land is at our disposal, especially as the funds obtained will be used for the improvement of the chuttrum.

No. 207.

As this proposal involves the sale of a portion of the chuttrum compound, it is submitted to the Board of Revenue for opinion as to whether the improvements proposed may be sanctioned; with special reference to the ruling in G. O., No. 800 of 6th June 1873, Financial Department, regarding a somewhat similar question referring to Chuttrums transferred to Local Boards.

2. The Chuttrum at Erode was made over to the Municipal Commission, under Section 15 of the Municipal Act—*vide* G. O., No. 795 of 14th December 1871, Financial Department, and G. O., No. 235 of 5th March 1872, Financial Department.
