No. 23. Read the following Proceedings of the Board of Revenue, dated 22nd September 1874, No. 2718:—

Read the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Boards, North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chittoor, 22nd August 1874, No. 450 :—

I HAVE the honor to submit, for the sanction of Government, an estimate amounting to Rupees 8,800, together with a plan and specification for constructing a building for the Devastanam Dispensary at Tripatty.

2. The estimate has been approved by the Local Fund Board, at their meeting held on the 27th ultimo.

3. The Mahant of Tripatty, at whose instance the Dispensary was established and from whose contribution the institution is maintained, has agreed to bear the whole cost of th proposed construction of the building, and he has also paid up Rupees 3,000 to meet its present expenses.

4. When the Dispensary was first opened, a house-site was purchased for Rupees 425, and a thatched house erected thereon to afford temporary accommodation, but the building having come down during the late heavy rains, the Hospital has been removed to another house which has been rented for the purpose, and which is situated in a most inconvenient part of the town. Neither of these buildings afforded more accommodation than was actually necessary for securing the Dispensary furniture, medicines, etc., and for reception of out-patients. No in-patients therefore were admitted from the opening of the Dispensary up to date for treatment. The estimate now forwarded was, therefore, called for by the Local Fund Board of the Chittoor Circle, and it has been framed on the same plan as that constructed at Chittoor, with the exception of the Committee room which has been omitted.

5. The Local Fund Board propose to have the work executed by other agency as they do not consider it fair to call on the Mahant to bear the additional charge for Public Works supervision which will amount to nearly 2,200 Rupees.

6. As great inconvenience is felt for want of proper accommodation in the Dispensary at Tripatty, I request the Board will be pleased to obtain the early sanction of Government to the estimate, and to place at the disposal of Public Works Department Rupees 3,000, for expenditure during the current year from the balance of the Endowment Fund. The remaining sum required will be provided in the next year's Budget.
