No. 25. Read the following Proceedings of the Board of Revenue, dated 10th September 1874, No. 2557 :—

Read the following letter from A. McC.WEBSTER, Esq., Acting Collector and President of the Local Fund Boards, Vizagapatam, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Nakkapilly, 5th August 1874, No. 1,140 :—

With reference to paragraph 48 of the Board's Proceedings, dated 26th January 1874, No. 127, and paragraph 3 of G. O., dated 1st April 1874, No. 543, I have the honor to report that the Local Fund Boards of both the Vizagapatam and Nursipatam Circles are unanimously of opinion that the amalgamation of the Circles is highly desirable.

2. Extracts from the Proceedings of the two Boards are enclosed.

3. I beg most strongly to support the proposed amalgamation, and to request that it may be sanctioned from the commencement of the next official year.

Enclosures Nos. 1 and 2.—Extracts from Proceedings of Local Fund Boards.

Submitted to Government with reference to G. O., dated 1st April 1874, No. 543.

2. Both the Local Fund Boards of the Vizagapatam district are unanimous in favor of amalgamating the Circles. The President supports the proposal strongly, and the Board resolve to recommend Government to adopt it.

3. The Nursipatam Circle is wanting in the elements which are necessary to make a Local Fund Circle. All the life of the district is concentrated at Vizagapatam and a few centres to the north of it.

4. A glance at the map shows that Vizagapatam and Nursipatam are both in the south of the district, and that there is no sufficient geographical reason for making them the head-quarters of different Circles. The area of Nursipatam is large, but its number of villages, population and land cess revenue are unduly small in comparison with Vizagapatam. The statistics of the two circles are compared in the following statement:—

—	Area, square miles.	Number of Villages.	Population.	Land Cess.
				Rs.
Vizagapatam	1,130	2,471	1,218,239	1,43,040
Nursipatam	873	744	556,556	71,520
