No. 31. Read the following letter from Lieutenant D. LISSENBURG, Barrack Master, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 29th September 1874, No. 2647 :—

I have the honor to submit the accompanying estimate of the probable expenses of this department for the official year 1875-76 for repairs, and renewal of ropes, fringes, and wheels of punkahs, &c., in use with the offices and other public civil buildings, and for the conservancy establishment of the East Indian privy, on the north-east blind, Fort St. George.

One statement.

No. 32. ORDER THEREON, 5th October 1874, No. 1681.

The Budget Estimate of the Barrack Master for 1875-76 provides for Rupees 3,689, *viz.* :—

	RS.
For charges on account of repairs, and exchange of ropes, fringes, and wheels of punkahs	2,620
For conservancy establishment in Fort St. George	1,069
Total ...	3,689

2. The amount exceeds the actuals* for 1873-74 by Rupees 1,376 and is less than the estimate† for the current year by Rupees 11.

* Rupees 2,313.
† „ 3,700.

3. It is explained that some departments make their own arrangements for exchanging ropes, fringes, and wheels of punkahs, and consequently that the charges for the purpose have been reduced from Rupees 3,040 to Rupees 2,620; but as the actuals for 1873-74 did not exceed Rupees 1,653 a provision of Rupees 2,000 will be ample to cover all charges likely to be incurred in 1875-76.

4. The charge‡ for conservancy establishment exceeds the actuals§ for 1873-74 and the grant§ for 1874-75 by Rupees 409. The excess has been included in the estimate to meet the charges for the repair of carts, &c. It will be sufficient if Rupees 340 were allotted for the purpose and the estimate fixed at Rupees 1,000 for 1875-76.

‡ Rupees 1,069.
§ „ 660.

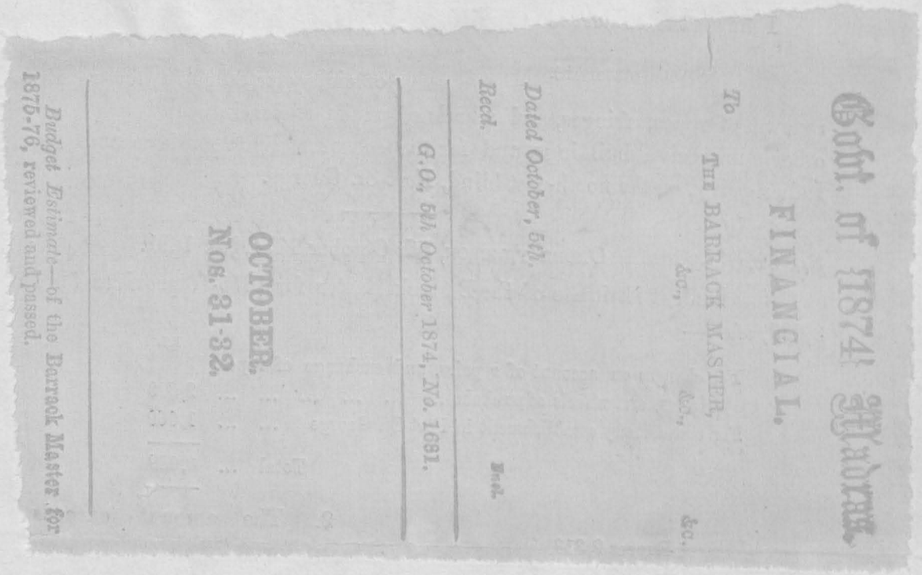

5. The estimate as revised is passed for Rupees 3,000.
