Proceedings of the Madras Government, Financial Department,
5th October 1874.

Read the following papers:—

No. 37. From Colonel C. H. DICKENS, C.S.I., R.A., Secretary to the Government of India, Public Works Department (Account, Military and Civil), to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort William, 23rd September 1874, No. 35-A.—M. & C.

I am directed to acknowledge receipt of your letter, No. 896, dated 26th May 1874, requesting sanction to a loan of Rupees 60,000 for the completion of the Peria Ghaut Road, and, in reply, to point out that, previous to the introduction of the Provincial Fund arrangements, the outlay on this road was provided for from that portion of the Public Works Grant now transferred to Provincial Services. I am, therefore, to inquire whether the allotment required for the completion of the work cannot be met from Provincial Funds.

No. 38. From A. MACGREGOR, Esq., President of the Local Fund Boards, Malabar, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Calicut, 24th September 1874, No. 255.

I have the honor to forward copy of a letter from the Special Executive Engineer of Wynaad, stating that considerable sums have been expended on the Peria Road in anticipation of sanction to the loan, and that, unless this is soon obtained, work will have to be stopped.

2. The Order of Government to publish the Notification was passed on the 6th March 1874, and on the 12th May 1874 a report was submitted to the effect that the necessary publication had been made.

From Lieut.-Col. R. B. KENNEDY, Special Executive Engineer, Wynaad, to A. MACGREGOR, Esq., President of the Local Fund Board, Tellicherry Circle, dated Lackady, 23rd September 1874, No. 682.

I shall feel obliged by your making inquiries as to what has been done about the loan of Rupees 60,000 applied for for the Peria Road in North Wynaad, also for the new trace between Peria and Korote. There is no allotment for either work in this year's budget, but considerable expense has been incurred in anticipation of the loan; the work, however, must at once be stopped if the loan is not sanctioned.

No. 39. ORDER THEREON, 5th October 1874, No. 1684.

Ordered that the following letter be despatched to the Government of India.

(Signed) D. F. CARMICHAEL,
Acting Chief Secretary.

No. 40. To the Secretary to the Government of India, Public Works Department, dated 5th October 1874, No. 1685.

In reply to your letter, dated 23rd September 1874, No. 35-A.-M. and C., inquiring whether the allotment of Rupees 60,000 required for the completion of the Peria

Ghaut Road, in the Malabar District, could not be provided from Provincial Funds, I am directed to state that Rupees 12,00,000 have been assigned in the Budget for the year as a grant-in-aid towards the Road Fund branch of the Local Funds raised under Madras Act IV. of 1871, and Rupees 1,06,020 for direct expenditure by the Public Works Department. Of this amount, no less than Rupees 1,90,560, or 14·6 per cent. of the whole, have been assigned to the one district of Malabar,

Malabar	6,002
Presidency	1,38,318

the area of which is only 4·3 per cent. of the total area of the Presidency.

2. Under these circumstances, the Government are of opinion that, even if funds were available, which they are not, no additional grant for roads could possibly be made to Malabar without unduly disregarding the claims of the other districts of the Presidency.

3. I am to add that it is hoped that, with this explanation, His Excellency the Viceroy and Governor-General in Council will no longer hesitate to sanction the loan applied for, the President of the Local Fund Board having lately reported that considerable sums have been expended on the road in anticipation of sanction.

(Signed) D. F. CARMICHAEL,
Acting Chief Secretary.
